Defendant.)	

The above-captioned matter is set on April 3, 2009 before this Court for a status hearing. The parties requested via a separate stipulation that this Court continue the hearing to May 8, 2009 at 9:00 a.m. The parties further request that the Court order the United States Probation Office to prepare a pre-plea criminal history report to assist the parties in understanding the impact of defendant's juvenile record.

Defendant is 26 years old and has several juvenile arrests and potential convictions. It is difficult to determine the dispositions of defendant's juvenile proceedings. The dispositions could, however, significantly impact defendant's sentencing exposure in this case. The parties, therefore, request that the Court order the United States Probation Office to prepare a pre-plea

criminal history report to assist the parties in determining the impact of defendant's juvenile convictions and his ultimate potential sentencing exposure. Defendant agrees that the Court may review the pre-plea criminal history report even though he has not yet pleaded guilty.
